

COOKIES

Users are informed that when they use the Site, information may be temporarily stored in their memory or on their hard disk, in particular by means of cookies.

I. What is a cookie

A cookie is a small text, image or software file containing information which is recorded on the hard disk of the User's terminal when he/she visits an Internet site with his/her browser software. It is transmitted by the website server to the User's browser.

II. Types of cookies used on the Site

The cookies used on the Site are strictly necessary for browsing and do not require the User's consent.
